ISymRU 2021

"Research and Innovation Towards Global Sustainability through Rural Empowerment"

International Symposium of Rajarata University of Sri Lanka

Faculty of Technology, Rajarata University of Sri Lanka, Mihinthale, Sri Lanka.

Guidelines for poster preparation:

Size and layout orientation: Portrait A0 (width 841mm x height 1189mm). The layout needs to be in portrait page orientation

Font: Avoid using mixtures of type/font styles. left justified text is suggested, as it is easier on the eyes of the reader.

The following font sizes are recommended.

- Title: 80-100 pt in a clear and solid font such as Arial Black

- Heading: 48-60 pt in a clear font such as Arial

- Body text: 26-32pt in a clear font such as Arial with single spacing

Contents: Your poster must cover the material included in the abstract. The text should be limited to the most important information only, leaving other details and explanations for your presentation. Please include following details specifically: Title, Authors with affiliations, Introduction, Methodology, Results and Discussion, Conclusions, Maximum of 2 References

Graphics: Use of graphics (photos, tables, illustrations) is recommended.

Poster presentation

Presentation should be limited to not more than 5 slides in the video recording.

Video Duration:
Presentation - 7 mins
Questions and Discussion – 5mins
